  o Not Anymore™ is an online sexual assault prevention program that addresses sexual misconduct and interpersonal violence (including sexual violence, harassment, stalking, and dating/domestic violence). The Office of the Dean of Students, Student Wellness Services and the Graduate College have partnered to provide the new graduate student version of this program to UNI graduate students.

✓ Why do I need to take a course about sexual misconduct?
  o The University of Northern Iowa strives to create a respectful, safe, and non-threatening environment for students, faculty and staff.
  o So that you will understand and recognize the types of behaviors that constitute sexual misconduct and interpersonal violence.
  o Recent federal legislation requires institutions of higher education to provide training on these topics to all students (undergraduate and graduate), faculty and staff.
  o The University of Northern Iowa strongly recommends graduate student participation in this program.

✓ All students who successfully complete the program by October 1, 2016 will be entered into a prize drawing! Grand prize = 2, $200 awards paid toward your UBill; additional prizes = 6, $50 dining dollar cards which may be used at any on-campus food venue.

✓ How long will it take me to complete the program?
  o The pre-test (at the beginning) and post-test questions (after each video module) will take approximately 10 minutes each; the video modules will take approximately 40 minutes to watch. Total program time is less than 1 hour.

✓ How do I “pass” the online course?
  o You must achieve a score of at least 80% on the post-test questions, or repeat the course until you score 80%, to pass.
